

**CITY OF LONG BEACH
GOLF COURSE
DEDICATE-A-TREE
BEAUTIFICATION PROGRAM**

The City of Long Beach, Parks, Recreation & Marine Department and American Golf Corporation offer a unique and thoughtful way to recognize individuals and special occasions by having a tree planted in a City golf course.

For only \$200, a 24" box tree will be planted at a City golf course. The cost includes delivery, planting, tree stakes, rubber protective ties, vinyl trunk guard, slow release fertilizer planting tablets, mulch and ongoing maintenance upkeep. Trees can be planted between the months of October and April (NO plantings take place between the hotter months May through September, to ensure better growth and survival). You will have the opportunity to recommend the golf course, as well as the type of tree to be planted. However, staff reserves the right to adjust the golf course site and/or tree type to assure compatibility with the golf course master planting plan and low-water usage requirements.

If the tree dies, due to vandalism or any other reason, it will be replaced one time at no additional cost to the donating party.

To dedicate a tree, fill out the attached form completely and make your \$200.00 check, payable to **American Golf Corporation**. Mail and/or deliver to:

American Golf Corporation
Attention: Regional Director
Recreation Park 18 Golf Course
5001 Deukmejian Drive
Long Beach, CA 90804

A staff member will contact you regarding the schedule for your tree planting. A certificate of dedication and acknowledgment will be sent to the person indicated on the attached application form.

For additional information, contact Terry Lortz, Superintendent of Golf Operations at (562) 570-4890.

**CITY OF LONG BEACH GOLF COURSE
DEDICATE-A-TREE
APPLICATION**

I wish to participate in the City of Long Beach’s “Dedicate-A-Tree” golf course beautification program by donating \$200 for a new tree. My check, payable to **American Golf**, is attached. (Please fill out one form per tree request).
