Subject: Welcome and Information

Your membership application has been accepted. **Welcome to the Recreation Park Men's Golf Club!**

Your Public Links Golf Association Membership Card, which contains your six-digit membership number, will be sent to you as soon as it is received. This can take anywhere from six to eight weeks, depending on when your application was received, however, you are eligible to play in our tournaments immediately.

Your six-digit number, which is needed for the posting of scores into the handicap system, is also available on the monthly roster, which is posted at the golf course. You cannot post scores without this number! If you do not presently have an established index, you need to save your **attested** scorecards and when you have five of them contact our Handicap Chairman, Dick Kiner, dkiner@adelphia.net, (714-637-0961) for an interim index and posting instructions.

The two best methods of communication and sources of information about the club and our tournaments is the monthly newsletter on the Club's Website, www.recpark.com. The website contains the monthly newsletter in addition to information on club tournament schedules, results, entry forms and tee times, as well as other general information. The website and newsletter also provide contact information for questions you might have about the club. For an additional \$5 per year you can have the newsletter sent to you via the U.S. Mail. Contact Dan Gooch to initiate this.

Here are a few other general information items:

1. We are one of five charter members of the PLGA, and with over 600 members, the largest.
2. General meetings are held on the last Thursday of each month at 6:30 p.m. (Standard Time/7:00 p.m. Daylight Savings Time) in the main clubhouse.
3. Two tournaments are held each month. Regular tournaments are held on weekends. There are also some 2-day events and the club championship is a four-day event. In addition, there is also a tournament on meeting day, which is the last Thursday of the month. You can sign up for these tournaments up to three months in advance. With the size of our club, it's a good idea to get your entry in well in advance of the tournament. The sign-up sheets are on the website.
4. We also have "Away" tournaments, which are held several times during the year. The information on these tournaments is also contained in the newsletter.

If you have an e-mail address and you've received this via the u.s. mail, please e-mail your e-mail designation. If you have any questions, please feel free to contact me at dgooch@socal.rr.com (preferred) or call me at 714-840-4624. Again, welcome to the club!
